Christa's Corner

Fall has arrived, and with it comes so many of the things I love most—cooler weather, back-to-school energy, home football games, fall sports, and cozy bonfires with friends. September has always been one of my favorite months. It's my birthday month, a time to celebrate a few friends' birthdays as well, and of course the return of our Wine, Brew & Spirits Walk. It's also a month of reflection, as I remember my mother's passing many years ago. With all of that, September is always filled with a mix of special memories, and I'm excited to make many more with family, friends, and our Chamber community. These days, I find myself wanting fewer "things" and more experiences—whether that's traveling to favorite and new places, enjoying quality time with loved ones, or simply relaxing at home.

August was a busy and fun month for us! We held two After Hours events, one at Easy Does It Customs and another at the Crawford County Fair, both of which were well attended and full of energy. Our Women's Group, sponsored by Eternal Glow, enjoyed a beautiful evening that even included a ride on Conneaut Lake aboard the Barbara J. To close out the month, we hosted our Fall Golf Outing at Mt. Hope Golf Course. The event was a huge success with a full roster of golfers and even a waiting list. It was such a wonderful day thanks to our sponsors, volunteers, committee members, golfers, and everyone who donated items for prizes and auctions. People left with prizes, full bellies, and smiles—and we reminded everyone to mark their calendars for next year's outing.

We also launched our 16th Leadership Meadville Class with their orientation in August. Under the guidance of Gary Svetz, the group explored their leadership styles, participated in team-building exercises, and began forming connections that will serve them well throughout the program. Their journey continues in September with History Day, one of the most engaging sessions of the year.

Now we look ahead to one of our signature events, the Wine, Brew & Spirits Walk, which takes place on Saturday, September 13 in historic downtown Meadville. With nearly 30 stops featuring wineries, breweries, and distilleries from across Pennsylvania, it's always a highlight of the year. Special thanks to Flick's TV & Appliance for donating the wine fridge we'll give away as a grand prize. This day also falls on Second Saturday, so downtown will be buzzing with activity from morning until evening.

October brings another favorite event, our Women in Business Expo. With two inspiring keynote speakers and a fantastic lineup of vendors, it's the perfect chance to learn, connect, and celebrate women in business. Vendor spots are filling quickly, so be sure to secure yours soon.

I look forward to seeing many of you in the months ahead, whether at an event or in a one-on-one meeting. And as we plan for 2026, we're looking for hosts for After Hours and Women's Group meetings—if you're interested, please reach out by phone at (814) 337-8030 or email at info@meadvillechamber.com. Here's to a September full of memories, connections, and experiences that matter most!

Are You Prepared for a Cyber Attack? Cyber Do's and Don'ts!

Did you know that 46% of small businesses (businesses with less than 1,000 employees) will be the victim of a cyber-attack? Do you take credit cards? Do you have customer information in your POS system? Do you send emails to your team? These are just three examples of data that cyber thieves are looking for and way to get it. Yes, you more than likely have firewalls and anti-viruses. But do you have multi-factor authentication to get into your systems? Are your employees educated on what to look for in what could be suspicious emails? Does your credit card processor and machine protect you hackers? Will they pay to protect you if it is hacked? They say they do... but do they really? A cyber event could shut you down for two months at minimum. Are you prepared for something like that? Call Barr's Insurance for a FREE review of your policy and discuss cyber liability options that fit the needs and budget of your business TODAY! Meadville Community Revitalization Corporation (MCRC)

The Meadville Community Revitalization Corporation (MCRC) is partnering with local timber framer and Timber Framers Guild (TFG) member David Yasenchack to build a timber-framed shelter for the 960 Park Ave Parklet in downtown Meadville. The Parklet project is a joint effort between MCRC and the Meadville Redevelopment Authority.

The timber frame project is part of TFG's 40 x 40 Initiative, celebrating the Guild's 40th anniversary. Forty members are each designing and leading a project in their home community, creating handcrafted timber structures across the country.

MCRC and the RDA are seeking 8–10 volunteers to help construct and raise the Parklet shelter. Volunteers of all skill levels are welcome, with a preference for those able to commit to at least four of six workdays (9:00 a.m.–5:00 p.m.). Workdays are scheduled for September 12–14 and September 26–28 at a workshop near Cambridge Springs. Lunch will be provided. Participants will receive hands-on experience in timber frame layout, cutting, and raising under David's direction.

Ransomware Defense with Real Impact

The goal of cybersecurity isn't generating more alerts—it's preventing damage before it spreads. Modern ransomware attacks move quickly, but the right protections can stop threats early, isolate a device within seconds, and even roll back unwanted changes. That way, one mistaken click doesn't escalate into a company-wide crisis.

Behind the scenes, effective defenses use layered controls that don't slow down day-to-day work. Fast-acting endpoint protection, just-in-time administrator approvals, clean web filtering, and regularly tested backups all play a role in keeping businesses resilient.

For local organizations, the outcome is simple: employees can keep working with confidence, while IT ensures the "blast radius" of any threat stays small. It's about continuity, not dashboards—peace of mind that lets you focus on your business, knowing safeguards are quietly in place.

Call Hagan Business Machines of Meadville at (814) 724-4601.

The Academy Theatre

The Academy Theatre's new chapter is about to begin: our 2025-2026 Page to Stage season! Tickets are available now for October's season opener THE ADDAMS FAMILY. A cast and crew of local theatre artists will bring the merrily macabre family to life (or close enough) on weekends from October 3 through 19 in this comic musical. If you're looking for a spooky bookend to the Witch Walk, we hope you'll visit Wednesday, Gomez, Morticia, and the whole gang at the Academy!

After we lay the Addamses to rest, the Theatre will present A Christmas Carol in December, Little Women in February 2026, Matilda in April and May, and Grease in July and August of next year. If several of the shows in the lineup are of interest, we recommend purchasing a season ticket. The discount is greater than the cost of a regular ticket – like getting a night at the theatre for free! Find more details at theacademytheatre.org/seasontickets.

We're so grateful to the nearly 3,000 visitors the Theatre welcomed last year. If you'd like to join our patrons in supporting the Academy (and bringing your organization to their attention in show programs, lobby signage, or in the video before every performance), please email the administrator, Darrel, (dwhitney@theacademytheatre.org) for information on sponsorships.

Nancy's Under the Steps

I may be Meadville's smallest small business—just 8x12 feet—but big things are happening! I specialize in commission work, creating unique pieces tailored to my customers' needs.
